

Phoenix Academy – Sports Funding 2016.17

Activity	Date	Impact	Legacy – Children	Legacy – Teaching	Cost
Whole Academy - Sports Coaching	Across the academy year	Sports Community Funding sports coaching have supported and delivered Physical Education alongside the class teacher, for an hour per week, per year group. This has meant teaching staff have developed their own PE teaching skills by team teaching and learning from a PE specialist. This in turn has provided and developed a range of quality sport opportunities for the pupils.	<p>Pupils will be taught well in PE, developing a range of skills and change in attitude towards sport.</p> <p>Pupils have access to quality teaching from both the professional coach and through their own teachers.</p>	Teachers gaining confidence in teaching at least good PE lessons, which have been modelled and taught by professional coaches whilst teachers observe and gain knowledge and skills.	£8000
After school Sports clubs	Across the academy year	<p>Sport focused clubs for 1 hour after school. Pupils are taught sporting skills by a qualified coach.</p> <p>Children can pick or children can be selected by teachers to participate in the club.</p> <p>The aim of the club is to engage children in teamwork, build resilience and a healthy mind, resulting in positive outcomes.</p>	<p>Games are designed to promote teamwork; the relationships between the players are paramount to success.</p> <p>To build resilience through games that are planned specifically for pupils to promote exercise and a healthy lifestyle.</p>	Impact for teachers will be seen in class from difference in behaviours and attitudes of pupils toward sport and healthy lifestyles.	
Interschool tournaments	Spring Terms All year	Children confidence and self-esteem raised against peers from across other	Sportsmanship- Understanding that winning and losing is worthy	Working with colleagues from across the schools to plan and	£600 Hailsham

<p>– Key Stage 2</p>		<p>schools. Children learnt the importance of preparation and commitment prior to entering. Importance of teamwork and working together</p>	<p>of equal respect Learning how to not win and congratulate others Importance of physical exercise Realisation that health can be improved with regular involvement in sport Enjoyment of competing with other schools Learning to work together in teams</p>	<p>prepare the day- which will be repeated the following year. Understanding the importance of organising a competition- risk assessments, travel arrangements etc. and being able to do this in the future proactively and with greater confidence</p>	<p>cluster subscription</p>
