

School Sports Funding Impact report 2017-18

What is Sports Premium?

The government has provided additional funds each year to improve the provision for school sports. The funding has been jointly provided by the Departments for Education, Health and Culture, Media and Sport. The money goes directly to Headteachers to enable them to improve the quality of PE and sport for all children. At Phoenix Academy, this means we received £17570 in the academic year 2016/17. Schools must spend this on improving their sports and PE provision, but can choose how to do this.

Number of pupils on roll	159	Total grant received	£17570
---------------------------------	-----	-----------------------------	--------

Impact of Sports Premium

Item / Project	Cost	Objective	Outcome & Evidence
The engagement of <u>all</u> pupils in regular physical activity – kick-starting healthy active lifestyles	£6040	Wider curriculum topics revised Breakfast club for identified children SRE curriculum introduced New equipment purchased Tennis racquets, badminton equipment updated	A wider curriculum, including SRE, that promotes healthy lifestyles & sports was developed. Through improved curriculum resources and teaching, children developed a better understanding of healthy lifestyle. Pupils had a greater variety of high quality resources to use during sporting activities.
Extra-curricular clubs		Increase the amount of extra-curricular activities.	The range of extra-curricular clubs was increased due to this funding – cricket, football, martial arts.
Inter school tournaments	£6980	Extra-curricular sessions for more able & competitive teams Develop STEP Sports partnership in East Sussex Attend local cluster activities	Children had the ability to attend inter-school competitions including cross country and football. One child then represented the school at a regional competition.

School Sports Funding Impact report 2017-18
